

Welcome to the Costa Del Mar Pro Purchase Program!

This program is designed to serve outdoor professionals and increase brand awareness of Costa Del Mar sunglasses. As an ambassador for Costa Del Mar, we expect you, our pros, to direct potential customers to local Costa Del Mar retailers in your area.

ORDERS

Please email orders to Tracey Splechter at Outdoor Connection for processing.
tracey@outdoor-connection.com

PAYMENT

To speed the process, orders will only be accepted using a valid credit card. They accept MasterCard, VISA, Discover and American Express.

SHIPPING

No PO Boxes please. UPS will only deliver to a known street address.

PRODUCT SELECTION

Please review the website at www.costadelmar.com to find the most current products and prices. The Pro Purchase Program pricing is half the listed retail price (sales tax and shipping charges apply).

REPAIRS

They offer a repair program second to none! Simply visit the website for complete shipping instructions and to print a return address form. The repair department pricing is positioned well below retail replacement value. So no additional discounts can be gained through the repair department.

RETURNS

Please take the time to pre-select your sunglasses carefully. There are no exchanges or refunds.

PROGRAM LIMITATIONS

This program is designed to meet your personal needs as an outdoor professional. In light of this, you are limited to the purchase of 1 pair of sunglasses per calendar year along with a reasonable amount of accessories and clothing.

This document describes the Costa Del Mar Pro Purchase Program in its entirety. Neither Costa Del Mar representatives nor employees are permitted to change the parameters of this program.

DISCRETION, PLEASE!

Each of you is responsible for ensuring the integrity of the program, and it is important that this responsibility be taken seriously. Talking openly about this program in a retail store, for example, can be considered offensive and can harm some of our good working relationships within the industry. So, we are asking you to be discreet about the program. Purchasing items for friends, relatives, or as gifts is strictly prohibited. Please follow these simple rules in order to keep your Pro Purchase privileges.
